A staunch freedom fighter, one of the pioneers of forming of Maharashtra state and co-operative movement in Nashik District, an educationist and Ex-Revenue minister of then Bombay province. Hon'ble Late Karmaveer Bhansaheb Hiray, has founded the two well-known educational institutions in Nashik District, namely "Adivasi Seva Samiti" in 1945 and "Mahatma Gandhi Vidyamandir" in 1952. The major objective of these institution was to provide the educational facilities to the masses from all the spheres, urban, rural and tribal. The devotional motto of the institution is "Bahujan Hitay Bahujan Sukhay".

Crystallization of this idealistic vision and the ceaseless endeavors of his worthy successor, Late Shri Vyankatraji Hiray, made MGV a great temple of learning with a string of educational institutes. Under his efforts and guidance, M.G.V. started other colleges imparting higher education in the faculties of Arts, Science, Commerce, Law, Pharmacy and Education at Malegaon and later on at Manmad, Yeola, Nashik and Nampur. After his unfortunate and untimely demise, his wife Smt. Pushputai Hiray devoted her services for the continuance of the work. The institution started new colleges at Saundane, Harsul and Surgana - the remote tribal areas and a Women's college at Malegaon.

Today M.G.V. is progressing under the able leadership of the General Secretary, Hon'ble Samajshri. Prashantdada Hiray, former Minister of state for Transport. He has also established professional colleges such as Dental Colleges and Hospital, extension of college of pharmacy, Institution of Hotel Management and Catering technology, institution of Management and Research etc. to widen the scope of career selection and to satisfy the growing demands for professional courses in urban areas.

right from primary to higher education. His son, Young and most dynamic personality Hon'ble Dr. Apurva bhai Hiray has also actively involved himself as a co-ordinator, (M.G. Vidyamandir) in enhancing the quality education in the era of competitive globalization through his dedicated efforts. Presently 87 educational units ranging from primary to post graduate and from traditional education to current disciplines such as Computer Management, Health Sciences, Agriculture, Pharmacy, Hotel Management etc. are managed by the Trust.
